What to bring

Make sure you have filled in and returned the Emergency Contact Information Sheet. You can give it to me on the day. We hope that we won't need it... but you never know!

People who are not members of our club will need to fill out a Warragul and District Garden Club Associate Membership Form for insurance purposes (no cost involved).

Please travel lightly.

Your Garden Club badge if you have one

Bring refillable water bottles and snacks

Bags will be provided for plants that you may want to purchase.

You might want to include mobility aids/ equipment - walking stick, walker etc. if you're unsteady on your feet. Forest Glade Garden is a lovely stroll down into the gully but can be quite challenging coming back up. Daylesford has challenging terrain for anyone with health issues.

If you have questions or concerns, please give me a ring on 0438252756 or email on ann.m.hogan@icloud.com

The newsletter will be on the Warragul and District Garden Club website if you misplace the hardcopy.

- I would not be leaving a vehicle at Burke Street Park or the Drouin Bowling Club. This is a good opportunity to call in a favour from family members or neighbours.

Looking forward to beautiful Spring weather
